New Cyber Cafe Rules based on Information Technology (Guidelines for Cyber Cafe) Rules, 2011 - Dated 11th April' 2011

On 11th April' 2011, Ministry of Information Technology, Government of India has issued Guidelines for Cyber Cafes, vide an amendment in I.T. ACT 2000. These Guidelines essentially emphasise on how a Cyber Café needs to operate its business. It is mandatory for Cyber Cafes to ensure 100% adherence to these Guidelines. I.T. ACT Guidelines recommends for a Digital and Safe Storage of Cafe Log Register containing every Cyber Cafe Customer's required details along with the information of Computer being used and Websites visited during every Customer Session. All this Information needs to be stored by the Cyber Cafe for a minimum period of One Year. Also every Cyber Cafe needs to submit this Monthly Cafe Log Register Report to the City Law Enforcement Agency by the 5th day of next month.

Keeping above in mind & the National Security, we have found that Cyber Cafes can digitally maintain the Cafe Log Register as specified by I.T. ACT, in a simple & effective manner through an appropriate Tool called CLINCK Software, which is offered Free of Cost to all Cyber Cafes across the Country.

About CLINCK Software:

CLINCK Software has compliance with the Information Technology (Guidelines for Cyber Cafe) Rules, 2011 under the I.T. ACT. CLINCK Software is being used by 15,000+ Cyber Cafes in 300+ Cities across the Country. In addition to the Cyber Cafe Customer's Data Security, this Software also meets all the Accounting & Management requirements of a Cyber Cafe. CLINCK has an On Ground team of 150+ People nationally to support Cyber Cafes in terms of complete Training and Technical support. CLINCK also has an All India Toll Free Help Line Number - 1800 209 1911 for Immediate Support.

Cyber Cafes can Freely download this CLINCK Software from <http://cafe.clinck.in> and for any Training & Installation Support in Chikaballapur District, Cyber Cafes can contact Mr. Matheenulla Khan, Manager Operation on matheenulla@ideacts.com.

CLINCK Software has also been Mandated / Recommended by the Law Enforcement Agencies in Hyderabad, Kolkata, Thiruvananthapuram, Punjab State, Hubli - Dharwad, Vijayawada, Allahabad, Varanasi, Belgaum, Udupi, Davangere, Bagalkot, Gulbarga, Solapur, Ahmednagar, Bellary, Gadag, Bijapur, Kadapa, Latur, Aligarh, Namakkal, Hospet, Hampi, Ramnagara, Mysore Rajahmundry & Raichur Cities.

It is Mandatory to install Software & Manage Cafe Users Data across Chikaballapur District, because we have found this solution very useful & this step will help us to make our City Cyber Crime Free.

Chikaballapur District Police expects complete co-operation from all the Cyber Café Owners in the Chikaballapur District by ensuring that they maintain a reliable database of every Cyber Cafe User as specified by I.T. ACT, in the Interest of National Security.

12/9/11
For Superintendent of Police,
Chikaballapur District.
